Modern square dancing is a recreation enjoyed by people of all ages all across the USA and around the world.

We offer a fast-paced class which is suitable for complete beginners, but which may also meet the needs of current dancers who want more experience, as well as returning dancers who are looking for a complete review of all the calls from Basic, Mainstream, and Plus.

After the introductory sessions, the cost is \$8/week/person, with a discount available for pre-payment. (Beginners should start with an introductory session -- after the introductory sessions, regular attendance is expected.)

Stanford Quads is not sponsored by, endorsed by, or affiliated with Stanford University.
