

**Havana Room, in the
Graduate Community Center
750 Escondido Road
Stanford**

**Square Dance Class
21 October
28 October**

Note that you must use Campus Drive to reach this part of Escondido Road – another part of Escondido Road intersects Stanford Avenue, but through traffic is not allowed.

You can get to Campus Drive through almost any road entering campus (e.g., from El Camino Real use Palm Drive or Serra Street; from Stanford Avenue take Bowdoin Street; from Junipero Serra Blvd. take Stanford Avenue to Bowdoin Street).

From I-280 northbound take the Page Mill exit (turn right) to Junipero Serra Boulevard (turn left), to Stanford Avenue (turn right) to Bowdoin Street (turn left), to Campus Drive (turn right at the traffic circle) to Escondido Road.

The parking lots closest to this building are reserved for residents of graduate student housing – do not park in any spot so marked. There is a regular parking lot about a block away, on the other side of Campus Drive, where parking is free in the evening.

The Havana Room is on the first floor of the GCC, to the right after you come in through the main entrance.
